DIALOP WEBINAR

FRIDAY 15 MARCH 2024
TIME 14.00 - 18.00
SATURDAY 16 MARCH 2024
TIME 9.00 - 13.00

Migration is a complex phenomenon. The causes are intertwined and the effects are difficult to define. The goal of the webinar is to untangle the web of causes, trying to recognize solutions. We focus on three issues: EU approach, climate change, irregular migration and its effects. Along with scholars, activists who have saved lives along the different escape routes will report on their actions.

Friday 15.3.24 14.00-18.00

The other side of the boarder: Critical analysis on political responsibilities in the EU and in war times
